## Small Conference Room

Our Small Conference room is perfect for events up to 35 people (sitting theatre style). With its carpeted floor and wall of south facing windows with open views, the small conference room transcends from a full lecture room to an intimate meditation room with a circle of pillows or chairs. It also works well for small teaching sessions needing up to 4 healing tables.

Maximum capacity - 35 people • 300 Square Footage • Carpeted Floor • Windows facing South on one side of the room / views • Solar and Room-Darkening Shade • Dimmed Lighting
